- **Do you have a baker that can provide themed cakes or cupcakes?** Yes, we have two amazing bakers that we order from and that specialize in vegan and other special requests.
- **How many guests is a good number for the studio?** Between 6-12 but we can go up to 15 comfortably.
- **Are guests parents encouraged to drop off?** Yes, but if there are a few parents that want to stay, that is fine.
- **How many art projects re created during the pARTy?** 2 themed art projects are made during a pARTy.
- **What ages do you host pARTies for?** Ages 2 to 100!
- **Do you have space for toddler/preschool parents to stay for entre pARTy?** If you plan to host a toddler/preschool pARTy with parents we recommend having us book the Kenwood Community Center across the street from studio. This will allow more space for parents of young children to socialize.
- **Are presents opened at pARTy?** If you would like to make that happen in the last 30 minutes, that can be arranged.
- **What are Paint a Pot pARTy favors?** They are small terra cotta flower pots that come with paint, brush, a themed treat and coupon to come back to the studio. They are \$5 per guest and wrapped up with ribbon.
